SUMMARY:

An enthusiastic Junior MERN Stack Web Developer with a passion for web application development. Have a constant desire to get better and a commitment to lifelong learning. Very much passionate about learning new technologies and seeking opportunities with challenges to improve skills and bring value to the web development industry.

TECHNICAL SKILLS:

- ❖ **Expertise In:** HTML5 | CSS3 | Bootstrap | Tailwind CSS | JavaScript | ES6 | React | React Router
- ❖ **Comfortable:** Firebase Authentication | Node.js | Express.js | MongoDB
- ❖ **Development Tools:** VS Code | Chrome Dev Tools | Git | GitHub | Figma | Netlify | Vercel
- ❖ **Started Learning:** Next.js | Redux

MY PROJECTS:

- ❖ **Recycle Hut** - A Used Phone Buy and Resale Website

- **Live Website Link:** <https://recycle-hut-e73b9.web.app>
- **GitHub Client Code:** <https://github.com/DevMazed04/recycle-hut-client>
- **GitHub Server Code:** <https://github.com/DevMazed04/recycle-hut-server>

Key Features:

- A fully functional & fully responsive, full stack (MERN) Used Phone Buy and Resale website where the Buyers can book & purchase their favorite phones, see their booked phones, wishlist phones and make online payments via Stripe payment.
- The Sellers can add phones, see & sell their added phones and see buyer's information.
- Admin can manage all the users, see all phones, all admins, all buyers, all sellers and all reported phones of the website with delete, make others admin & verify seller access.

Technology Used: React | Tailwind CSS | Daisy UI | CSS3 | React Router | react-query | react-hook-form | react-icons | react-photo-view | Firebase Authentication | Node.js | Express.js | MongoDB | Stripe Payment Gateway.

❖ Food For You - A Service Review Website

- Live Website Link: <https://food-for-you-21d94.web.app>
- GitHub Client Code: <https://github.com/DevMazed04/food-for-you-client>
- GitHub Server Code: <https://github.com/DevMazed04/food-for-you-server>

Key Features:

- A fully functional & fully responsive, full stack (MERN) Service Review website where Users can see different food delivery services with the necessary details.
- By making online payments via Stripe, they can order their favorite food for delivery. They have to register & log in if they want to get a delivery order and give a review.
- Users can give their own reviews as well as can see other users' reviews for a specific food delivery service. Users can also see their own reviews as well as update and delete those reviews. Users can Add a specific Food delivery service also.

Technology Used: React | React Bootstrap | Bootstrap 5 | CSS3 | React Router | react-hook-form | Firebase Authentication | Node.js | Express.js | MongoDB | Stripe Payment.

❖ Typing Hero - A Typing Practice Website

- Live Website Link: <https://devmazed04-typing-hero.netlify.app>
- GitHub Client Code: <https://github.com/DevMazed04/typing-hero>

Key Features:

- Typing Hero is a fully functional & fully responsive Typing Practice website where users can see a randomly generated sentence (motivation quote) at the top which they have to type. By refreshing the page, a random quote will be generated each time.
- The timer will start when users start typing practice by clicking the Start button. A finished modal will open once they have typed everything correctly.
- Users can see their typing history with the typing spent time, how many errors they made during typing and their typing speed in WPM (Words Per Minute).

Technology Used: JavaScript | ES6 | HTML5 | CSS3 | Bootstrap 5 | Font-awesome.

EDUCATIONS:

❖ Bachelor of Science (B.Sc.) Engineering

University : Bangladesh Army University of Science and Technology (BAUST), Saidpur
Major : Computer Science and Engineering (CSE)
Passing Year : 2021, November
Result : CGPA 3.20 Out of 4.00

❖ Higher Secondary Certificate (HSC)

College : Cantonment Public School and College, Rangpur
Group : Science
Board : Dinajpur

Passing Year : 2014
Result : GPA 5.00 Out of 5.00

❖ **Secondary School Certificate (SSC)**

School : Rangpur Zilla School, Rangpur
Group : Science
Board : Dinajpur
Passing Year : 2012
Result : GPA 5.00 Out of 5.00
